AVERY WILLIAMS

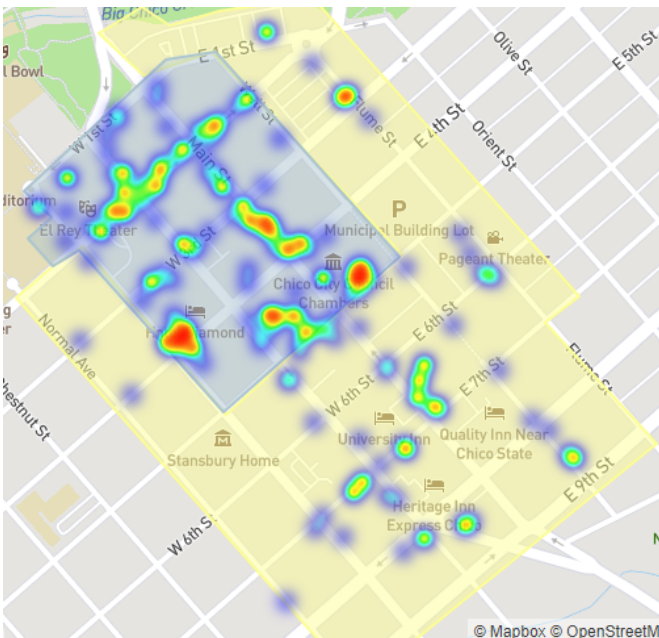

Highlights

Initiatives

The Month of June saw the return of Friday Night Concerts in the Downtown Plaza. In addition to our routine plaza monitors, ambassadors will be in the plaza every Friday afternoon power washing and doing a deep clean of the plaza.

Field Observations

For the Month of June we saw a decrease in the overall unsheltered population that use Downtown as a regular hangout, however we have seen an increase in new faces passing through town. The addition of the Kisok Concierge service has been a help with downtown visitors, we saw a decrease in calls for kisok assistance during the hours that the concierge services is offered.
